April Quarterly Report (1/1/01-3/31/01)

Dear Mr. Jester:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report indicates the use of calendar year-to-date figures when aggregating and reporting receipts and disbursements. Please be reminded that candidate committees are required to aggregate and report their receipts and disbursements on an election-cycle basis rather than on a calendar-year basis. Beginning with your next report, please ensure that election cycle-to-date figures are used when reporting aggregate amounts. (2 U.S.C. §434(b))

-On Schedule B-P of your report, you have itemized disbursements for which you have failed to include the address. Please amend your report to include the missing information. (11 CFR §104.3(b)(4))

Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "havei", "party fees", "phone banks", "travel expenses", "travel expense reimbursement" and "catering costs". Examples of election day and voter registration activity include "exit polling", "door-to-door get out the vote", "get out the vote phone calls" and "driving voters to the polls". Unacceptable descriptions, which require additional clarification, include but are not limited to "advance", "consulting", "commission", "contract labor", "retainer".
